The Alps conference meetings halls provide for ample comfortable space, a competent conference team with sufficient facilities. We offer a conference facility catering for large residential conferences, meetings, seminars, product launches, exhibitions, and events.

---

## LOCATION

---

The Alps is located within easy distance from the Menengai Crater, Hyrax Hill Prehistoric site and Lake Nakuru National Park which is famous for its Pink Flamingos. Its many shopping outlets include the new Naivas Mall and Westside mall which houses the Nakumatt. The Alps is a stone throw away from Nakuru Golf Club.

Nakuru in the recent years has grown massively with many more entertainment options now available. Nakuru has always been a very popular weekend getaway for visitors from all parts of the country and still retains its holiday feel and natural beauty. It is this beauty that draws people here.

If you are looking for that quiet place away from the noise, pollution and large concrete resort complexes –just looking for a place to escape from all that craze and want to retire to nature while you are not far away from civilization, The Alps Hotel Nakuru is what you are looking for. Come sample life in the best hotel in the County.
